#### 4. Your Cart Page

The Buyerz Cart Page offers a streamlined layout displaying product details, quantity selection, and pricing. It includes a summary of the subtotal, tax, and estimated total, with convenient checkout options like Google Pay and credit card.

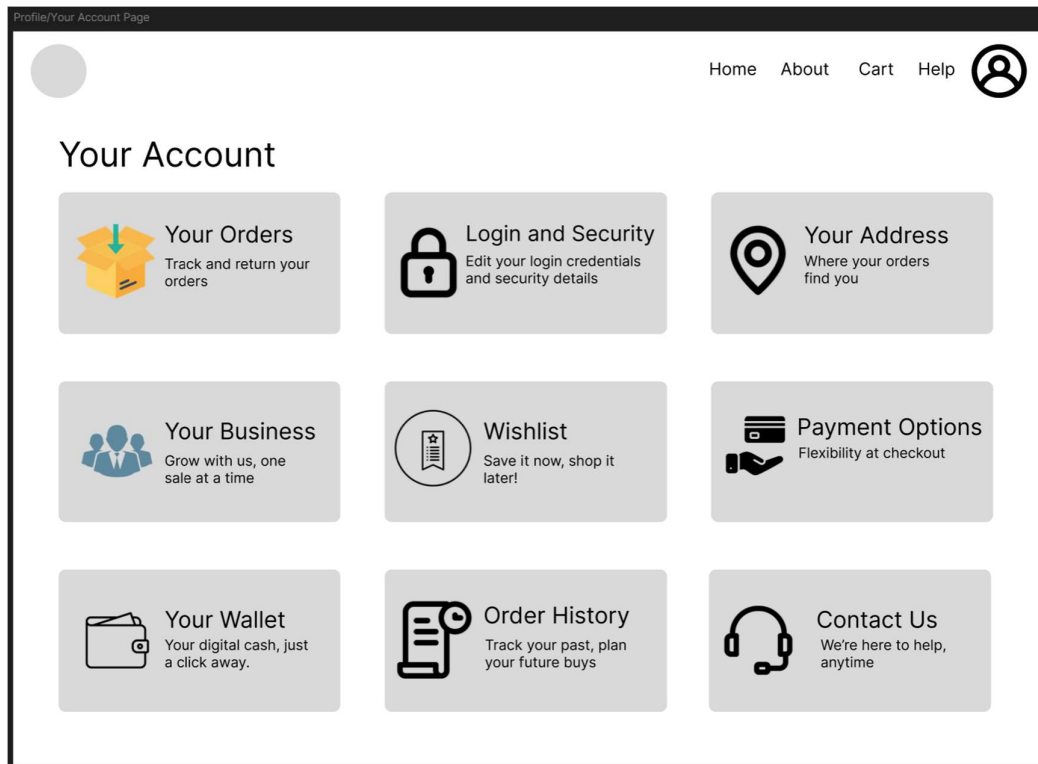

#### 5. Browsing History Page

The Buyerz Browsing History Page presents a grid-style layout showcasing recently viewed products with clear visuals, titles, and prices. It enables users to revisit their explored items seamlessly for convenient shopping.

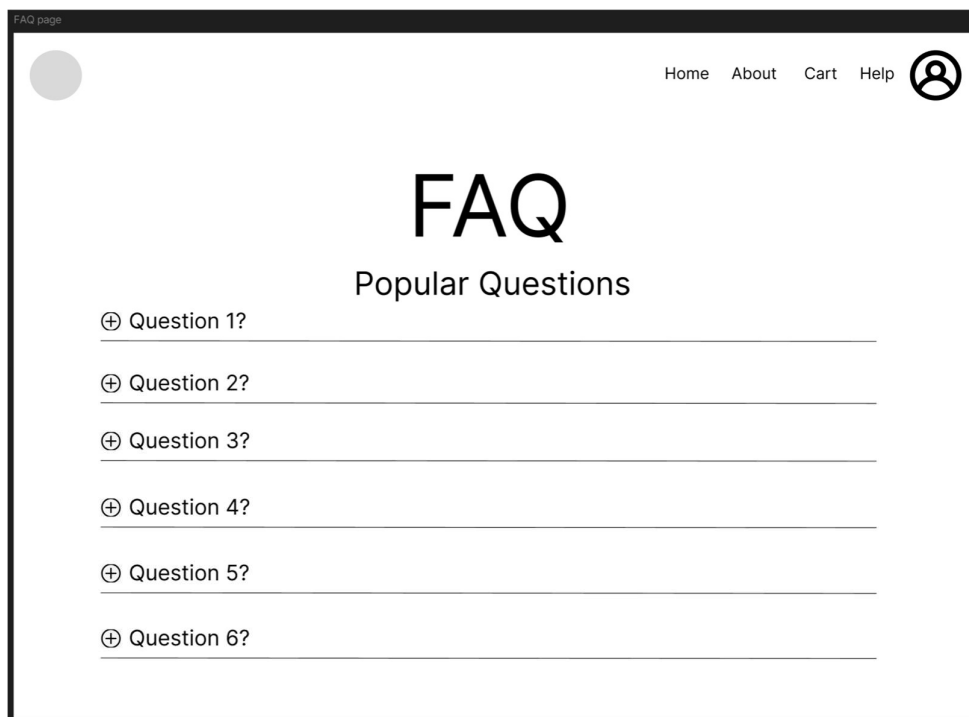

## 6. Your Account Page

The Buyerz Your Account Page presents a grid-style layout showcasing the different functionalities that are provided by Buyerz. It enables users to edit their information as per their own requirements.

## 7. FAQ Page

The Buyerz FAQ Page displays a set of frequently asked questions that the users can refer to in case they have similar queries.

## 8. Your Wishlist Page

The Buyerz Your Wishlist Page presents a layout showcasing products that the user has placed in his/her wishlist. This is a simple page where the products can be saved by the user in case he/she plans to buy the same in the future.
